

For decades the “Mega Family of stores has supported local non-profit charitable organizations in the community. As the needs have grown, so has our commitment. Mega Charities is a non-profit foundation that was formed to benefit needs in the neighborhoods that Mega serves.

In strengthening our commitment, we have identified that concession sales within an organization is a major source of revenue for extracurricular activities. As a way to lower cost and increase revenue, Mega Charities and Chippewa Springs have teamed up to produce this special label half liter bottled water to increase the revenue at the concessions for your organization.

This Mega Charities water will be donated to your organization’s event(s). We only ask that you charge no less than \$1.00 per bottle to maximize your fundraising potential.
